- The device is considered defective if it fails to perform the functions as indicated in the operation manuals, technical specifications or any other similar documents supplied with the equipment, and the failure is due to internal device characteristics.
- The Warranty does not cover consumables or parts of limited regular functionality due to the natural wear and tear.
- The defects and damages revealed during the Warranty period shall be removed free of charge exclusively by the Quantum Networks Service Center as provided by Quantum Networks Support Center within 14 working days since the date of delivering device to the service center.
- Defects and Damage removal time could be extended in case a replacement parts is to be imported outside the country of service center or the defected or damage device has to be shipped to Quantum service center in Singapore.
- Warranty services will be provided under the following conditions:
  - Immediately and effectively notify Quantum about determined device's defects and cease any use of it.
  - The serial number of the delivered defective device must match the serial number sold to Customer along with RMA No. issued by Quantum Networks Support Center.
  - Please do not ship any accessories along with the device.
  - If it is necessary to ship the accessories, Quantum Networks Service Center should be notified in writing of any such accessories.
  - The delivered device should have intact production seals applied by Quantum Networks.
  - The device should be appropriately packaged during its loading, transportation and unloading.
  - The shipment to the Quantum Networks Service Center must be arranged and paid by the customer.

- Quantum Networks reserves the right to charge the Warranty beneficiary with the costs of service, transportation, insurance and customs clearance if the defect does not fall within the scope of this Warranty or the device has not been proven defective.

The Warranty does not cover:

- Mechanical or electric damages resulting from incorrect installation, configuration, usage or other activities inconsistent with the operation manual or contradictory to technical specifications attached to the device.
  - Damages caused by acts of God, floods, fires, lightning or other natural disasters, wars, unexpected events, inappropriate voltage, defective supply materials or other external factors.
  - The device that has been tampered with by the Warranty beneficiary or any other person in any way, including reconfiguration, repair, willful constructional variations, modifications and adjustments.
  - The device with serial numbers and/or the Quantum Networks seals damaged or illegible.
  - The activities specified in the operation manual, which remain the sole responsibility of the Customer in his own capacity and at his own expense.
  - Defects resulting from the usage of improper or non-genuine supply materials.
  - Damages due to the user's fault or lack of knowledge.
  - Defective functioning of the device caused by a conflict or incompatibility between software applications installed on the damaged device or on the equipment, which the device permanently cooperates with in accordance with the intended purpose of the device.
- Quantum Networks reserves the right to replace the defective device or its component with a free-of-defects equivalent thereof, provided that such equivalent ensures efficiency and functionality equal to or higher than the original device or component. The replaced defective device or components shall become the property of Quantum.
  - Quantum Networks reserves the right to refuse to provide any Warranty services if it would result in a breach of applicable laws.
  - Quantum Networks shall not be held responsible for any failure in performance of the obligations as stipulated in this Warranty, whenever such failure is caused by a force majeure afflicting Quantum. Force majeure means any event or circumstance beyond reasonable control of the Quantum Networks which prevents Quantum Networks from performing the obligations stipulated in this Warranty, or results in the performance of the Warranty services that is inconsistent with the conditions stated herein, and which could not have been foreseen by the Quantum Networks acting with the professional accuracy at the moment of assuming obligations under this Warranty.
  - The rights granted by this Warranty shall not include the right of the Warranty beneficiary to claim any lost profits in connection with defects of the device. Quantum Networks shall not be held responsible for any material losses caused by the defective product.

This General Warranty Terms and Conditions may be changed if the Buyer and Quantum Networks establish different conditions in a separate agreement, and the provisions thereof supersede the respective provisions of the Privacy and Terms and Conditions.
